## *Business Services for Subscribers*

Appreciation must be expressed for the number and the quality of the advertisements in this issue. Without the revenue derived from this source, the price of The Directory to its subscribers would be prohibitive. The advertisements in the front and rear sections have been carefully selected and scrutinized to the end that their statements may be accepted with confidence.

The serviceable *Classified Buyers Guide* has been expanded by the addition of many new advertisers, so that the 771 different product and service classifications present a greater choice than ever before. Almost any product or service needed by church, school or institution, is indexed in the thousands of source listings which follow.

Whenever you want to know "who makes it," "who supplies it," or "who can do it" — consult this *Buyers Guide* presented below for your greater convenience. Subscribers who make it a practice to study the *Classified Index* and the announcements to which it is the key, find it quickly solves their problems of supply, equipment and maintenance.

## *More Informative Advertisements*

The Directory, in its completely new and much larger dress has been enthusiastically received by subscribers and advertisers alike. It has proven a handier volume and much more serviceable, since the 45% larger advertisements, like the other pages of the book, present completer information in a more readable format.

Some advertisers have appeared in The Directory for 100 years! Many more, for generations, and others are represented for the first or second time. All are qualified and ready to serve you and *your mention* of THE OFFICIAL CATHOLIC DIRECTORY when responding, will be helpful to you and most welcome to the advertisers and the publishers.

Every subscriber can get extra value from this Directory by first consulting the *Classified Index* and the advertisements; if you do not find exactly what you seek, just use the convenient postpaid Information Request Cards, facing the back cover. There is no charge for this service.

J. LOUIS MEYER, *Business Manager*

The successful direction of fund campaigns for the Church requires the skilled guidance of men who, in addition to knowing the most economical and productive means of raising funds, also understand the Catholic problem.

We believe that one cannot obtain maximum results in a fund-raising campaign for the Church unless one knows how a Catholic thinks, how he acts, what he believes and what he will do for his Church, his bishop or his parish.

Our planning and direction are based not only on successful fund-raising—they are based on successful *Catholic* fund-raising.

May we explain to you how we plan and direct fund-raising campaigns for the institutions of the Church? Preliminary surveys and consultation are provided without cost or obligation.

Send today to Dept. N-51 for the brochure: FUND RAISING FOR THE CHURCH.

*More Catholic fund-raising campaigns are directed by Lawson Associates than by any other firm in the entire fund-raising field.*

# Save The Cost Of Installation With

# Foamade KNEELER CUSHIONS

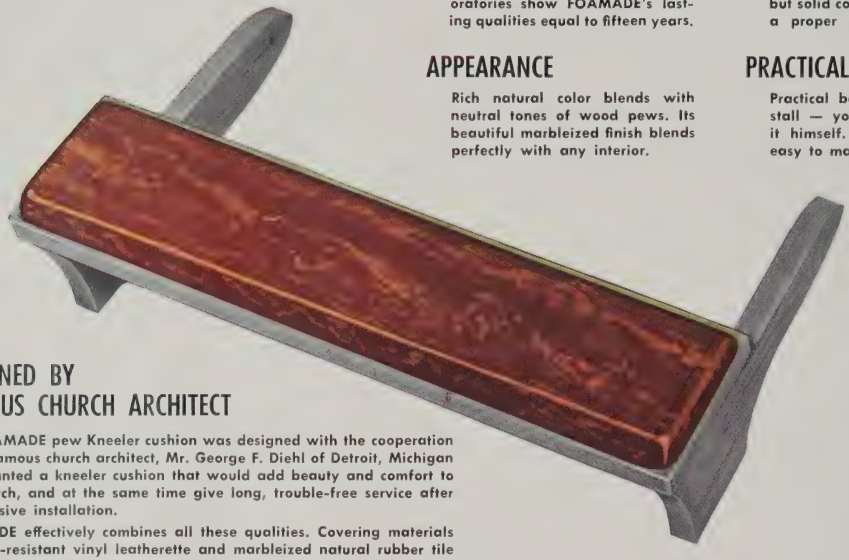
U.S. Patent applied for

## Famous For

### DURABILITY

FOAMADE cushions are tough and long wearing. Detroit Testing Laboratories show FOAMADE's lasting qualities equal to fifteen years.

### COMFORT



Communicants, both young and old, appreciate FOAMADE's soft but solid comfort. Helps to achieve a proper attitude of reverence.

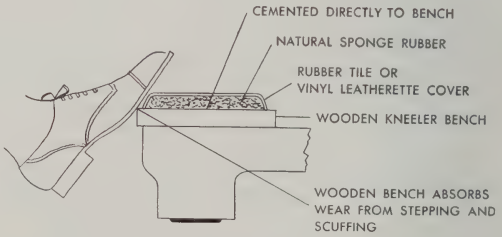
### APPEARANCE

Rich natural color blends with neutral tones of wood pews. Its beautiful marbleized finish blends perfectly with any interior.

### PRACTICALITY

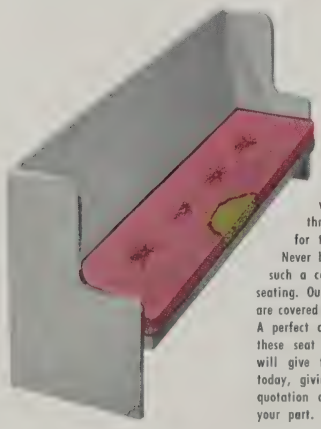
Practical because its easy to install — your handy-man can do it himself. Practical because it's easy to maintain.

## DESIGNED BY FAMOUS CHURCH ARCHITECT



The FOAMADE pew Kneeler cushion was designed with the cooperation of the famous church architect, Mr. George F. Diehl of Detroit, Michigan who wanted a kneeler cushion that would add beauty and comfort to the church, and at the same time give long, trouble-free service after inexpensive installation.

FOAMADE effectively combines all these qualities. Covering materials of wear-resistant vinyl leatherette and marbleized natural rubber tile are the finest obtainable. The cushion, of molded sponge rubber is resilient and comforting. Our unique method of vulcanizing the cover to the cushion eliminates hard edges, protects the cover, and assures many years of use.



Installation is extremely simple. We ship the cushions PRE-CEMENTED on the bottom, and your janitor or handyman applies a thin coat of our adhesive to the top of the bench and sets the cushion in place. We include rubber adhesive, wooden end blocks, and complete instructions with every order.

We would greatly appreciate the opportunity to quote exact prices and furnish samples on pew kneelers, as well as on altar rail, Prie Dieu, and confessional kneeler cushions. There is, of course, no obligation. Just tell us your requirements, and we will do our best to serve you. If you have a cushion problem, write today!

## Foamade's best; here's why —

This cutaway shows the superior construction of FOAMADE kneeler cushions. Note the correct arrangement of cushion on bench. When installing your FOAMADE cushions, be sure to allow a quarter of an inch of bench to protrude. This takes much wear from the cushions.

## SEAT CUSHIONS

Your communicants can be easily provided with the ultimate in seating comfort through the use of FOAMADE seat cushions for the pew seats in your church or chapel. Never before has there been a seat cushion with such a combination of qualities for use in church seating. Our cushions are made of foam rubber, and are covered with mohair, velour, or leatherette fabrics. A perfect companion for FOAMADE kneeler cushions, these seat cushions are made with the same care, will give the same long years of service. Inquire today, giving number of cushions needed, size. Our quotation on any inquiry implies no obligation on your part.

*America's finest carillon*

# CARILLONIC BELLS

*is the finest liturgical bell instrument ever made*

THIS outstanding musical instrument is welcomed with acclaim by clergy and parishioners everywhere. Whenever the bells ring out, their brilliant tones focus listeners' attention on the church from which they are heard. Many priests have found, as one writes us, that the presence of "Carillonic Bells" "has promoted a greater devotion among the laity."

In choosing a carillon to speak for *your* church, choose as others will judge—*choose by ear*. Note the incomparable accuracy and clarity, the tonal richness of "Carillonic Bells"; and let their audible beauty bring to your parish the joy no other bells or chimes can give.

**A Special Bell for the church of *any* size.**
***Beautiful—versatile—completely automatic!***

## Schulmetronic AUTO-BELL

No longer is cost an important factor in choosing a bell instrument. The Schulmetronic AUTO-BELL requires no tower, is simply installed, and offers the rich, sonorous tones and brilliant harmonics of a true 13,000 pound cast bell.

This is the perfect liturgical bell instrument which may be played automatically, semi-automatically, or manually. Its control clock, once set, will provide without further attention such functions as Angelus Call, Swinging Mass Call at *selected* times, and Tolling.

Let us tell you about the many uses of the most versatile, fully automatic bell instrument ever made.

WALL OF MOSAIC TILE AT HARVARD UNIVERSITY GRADUATE CENTER

*Architect—Walter Gropius*

*Designer—Herbert Bayer*

Architect Gropius has given tremendous impetus to the expanded use of an age-old material in modern, functional design with his ceramic Mosaic Tile wall in Harvard University's new Graduate Center.

This abstract design is an outstanding example of the beauty, utility and permanence which Mosaic Tile provides for both horizontal and vertical surfaces.

You get a rare combination of values when your church and school buildings use Mosaic Tile. You get complete freedom for your design ideas. You get wear unequalled by other materials. You get an extensive color range from which to choose. And you get important cost reducing advantages as Mosaic Tile cannot burn or fade and its maintenance cost on floor or wall is negligible.

For intelligent, long-life remodeling or for new construction, we'll welcome the opportunity to execute your design plans in Mosaic Tile or to create design ideas for your approval. In the meantime, write for Mosaic's new Ceramic Floor Tile booklet—you'll find it extremely valuable. Address your request to Dept. 14-3. The Mosaic Tile Company, Zanesville, Ohio.

## THE MAGIC TEACHER PUZZLE-PLANS

The Magic Teacher PUZZLE-PLANS, for teaching beginners, are based upon a very simple, yet marvelously effective and psychologically sound, teaching procedure. Their underlying principle is the idea of matching the separate question and answer parts of carefully constructed sets of cards which have been die-cut with jig-saw patterns. The child has to make the associations correctly because each card or item has a different matching pattern. The puzzle element holds his attention and the matching patterns serve as connecting links until the answers have been learned. Each set comes in a durable box 5 in. by 8 in. in size with three-color design and complete instructions printed on the bottom of the box.

### Mary Immaculate Seminary

### Beautifies Terrazzo Corridors with HILLYARD TERRAZZINE

Nine years ago during building construction, these green terrazzo corridors were treated with Hillyard Terrazzine . . . right after rough stoning. This slowed drying time and protected new installation from crumbling. Since then, these corridors have been economically and safely maintained with Hillyard Super Shine-All, the neutral chemical cleaner.

### Thomas Acquinas Institute
NEW YORK

### Cleaned up its Gymnasium with HILLYARD STAR GYM FINISH

Constant use, harsh soaps and cleaners had blackened and dulled this gym floor. Then Hillyard Super Shine-All was applied. Now, even the grain of the wood shows through the light, mirror-like finish. Super Shine-All is a neutral chemical cleaner . . . contains no alkalis, caustics or abrasives to harm sensitive floor surfaces . . . is U/L approved as "anti-slip". Requires no rinsing. Saves labor time.

### St. Dominics Church
LOS ANGELES

### Super HIL-TONE gives Mellow Glow to Altar and Chancel

This beautiful chancel was treated first with Wood Primer to seal the wood and form a smooth undercoat. Then Star Gym Finish was applied. Super Hil-Tone dressing is used for daily maintenance. It picks up germ-laden dust . . . preserves slip-resistant surface . . . gives floors, woodwork, furniture that shiny, cared-for-look.

# World's Finest System

*and only positive way to prevent drafts while thoroughly heating and ventilating the classroom. It's the new system introduced by Herman Nelson!*

*It is called* **DRAFT | STOP**

WHEN you stop a problem before it starts—that's a marvel of efficiency. This ably describes the functions of the new Herman Nelson DRAFT | STOP system for classroom ventilation. With today's greater window area, part of the plan to bring daylight into schools, a threat of chilling drafts must be met.

From experience and by laborious research in design possibilities, Herman Nelson engineers found the best way to handle drafts. This system known as DRAFT | STOP is ready for new schools now. It is the only unit which captures drafts at the source. DRAFT | STOP detours drafts that make classrooms uncomfortable, endanger student health. This new system should be in your plans for every new school or to improve conditions of fresh air and control of temperature in present classrooms. **Send for your copy of the new DRAFT | STOP booklet today!** Write to Dept. **Air Laden Dirt Enters Here.** Baffle and Filter Separates Dust and Dirt from Air...dirt drops into metal container. Dust-free air returned to room.

FILTER QUEEN CLEANS WITH *ONE STROKE* BECAUSE THERE'S NO BAG TO EMPTY!

**Attachments Included.** Comes complete with time-saving tools for every cleaning job including a round dust brush, upholstery tool and brush, and rubber floor brush.

## *SAVES TIME AND LABOR . . . CUTS MAINTENANCE COSTS!*

FILTER QUEEN saves labor time...cuts your maintenance costs! Here's why! Cleaning efficiency with *any bag-type* vacuum depends on the speed with which air is released through the pores of the bag. BUT...dirt sucked in by the ordinary vacuum *clogs these pores* and reduces suction. As a result, you get "back-pressure"...*low pick-up of dirt!* Costly *time is wasted* cleaning the same spot over and over.

FILTER QUEEN is different. FILTER QUEEN cleans *cleaner* in *one stroke* because FILTER QUEEN has *no bag to empty!* That means *no* "back pressure"...sustained, strong suction. This "NO BAG" feature permits the FILTER QUEEN to literally pay for itself in savings of labor time due to faster more thorough cleaning. See what this exclusive feature can mean to you. See how you may be wasting labor-dollars with old-fashioned, inefficient bag-type vacuums. Call or write today for a "no obligation" demonstration.

Gentlemen:

Since the installation of the electric "BALDWIN ORGAN" here at Villa S.Francesco, Rome, I have had occasion to observe in your instrument the exceptional fine resonant tone which in particular is so desirable to the sacred service.

I congratulate you upon your extraordinary technical and artistic achievement. It is a significant contribution to church music which I have not found before in instruments of that type.

My special blessing and good wishes.

# Kerns PERMAKOTE

**Durable, Non-Slip Protection for all Wood, Cork, and Linoleum Floors, Furniture, Woodwork**

## VERSATILE, BEAUTIFYING, NON-GLARE PROTECTION

PERMAKOTE is the ideal beautifier and protector for scores of uses in institutions. Tough and elastic on gym floors, resists cracking and pounding under hard usage. Absorbs light glare, allows players to gauge distance accurately, gives spectators greater eye-comfort. Protects pews from perspiration; nursery school chairs from "accidents"; wood, cork and linoleum floors and table surfaces from stain and abuse; woodwork (indoors and out) from hard wear, weather and frequent washing.

## ECONOMICAL, TIME-SAVING, LONG-LASTING

Refinish once . . . your protection lasts! PERMAKOTE-finished floors, woodwork and furniture retain their non-glare protection longer, require less maintenance, cut upkeep cost to the bone. Original material and labor costs for PERMAKOTE finish are surprisingly low due to high coverage and ease of application. Proper maintenance will prolong the PERMAKOTE finish indefinitely.

## the WILL-BURT stoker

The school and auditorium of Our Lady of Sorrows Church, Farmington, Michigan, shown above, has gained considerable attention and praise for its modern architectural design. Of the Will-Burt stoker installed there, Father Thomas P. Beahan, Pastor, says, "I am pleased to report that the Will-Burt stoker used in heating our school and auditorium has proven to be adequate and very satisfactory."

Shown in the lower of the two illustrations, St. Anthony's Church, Louisville, Kentucky, is of more traditional architecture, and here again two Will-Burt stokers are providing trouble-free heating. Father Theodore Eichholtz, Pastor, states, ". . . our stokers are giving entire satisfaction and are operating perfectly in every way."

These are only two of the many Churches and Church-owned buildings where Will-Burt stokers are serving efficiently. Will-Burt stokers are available in the right size and style to fit the requirements of practically any installation, whether in a large Church, school or hospital—or a small, residential-type building.

# Flexotile Floors

## ADAPTABLE – STRONG – LIGHT – RESILIENT

FLEXOTILE is genuine *MAGNESIUM OXYCHLORIDE* cement flooring. Of all cements that can be used at practical cost for building purposes, oxychloride is the strongest. Its amazing adaptability to various individual requirements make it particularly desirable in solving flooring problems for Catholic Churches, Schools, Hospitals, and other institutions. There is a FLEXOTILE floor for every purpose, since they can be individually suited to any decorative or architectural requirement. Type, color, style, hardness, heat conductivity, and resilience are a few of the many variable characteristics.

Almost any kind of subfloor — wood, steel, concrete, old or new — can be easily covered with a minimum of preparation. Because of its strength and resilience, FLEXOTILE layers are thin and light, adding little to the load on the structure. Old uneven floors can be easily leveled with FLEXOTILE. Your FLEXOTILE floor is ready for traffic in a mere 48 hours (light traffic in an emergency — 24 hours).

FLEXOTILE is fire-safe. Being non-combustible, it helps confine fire to one room and its tight monolithic surface limits leakage of fumes, smoke and water. The National Fire Protection Association has approved Magnesium Oxychloride as a fire-safing material. Its non-sparking qualities have made FLEXOTILE ideal for hospital use.

FLEXOTILE's beautiful colors can be selected to harmonize with any Church or other interior, and its textures can be varied by the use of marble, cork or other chips to suit any decorating plan. We would be pleased to send further literature which describes in detail the eight general types of FLEXOTILE FLOORS. Please bear in mind that these general types are guides only, as each floor is individually designed and installed by experts under our direction, to meet your exact requirements. Write today, or have your architect or decorator write, for FLEXOTILE BULLETIN #51-0. There is no obligation.

We are placing this advertisement to call your attention to a unique contribution to the field of ecclesiastical art and decoration.

Mr. Ernie Bruss has devoted his entire life to the study of Church decoration. He served his apprenticeship in Europe under master artists and for over thirty years in this country has designed and decorated Catholic Churches throughout the Midwest.

Bobbe & Company, the firm with whom he has associated himself, has been known and respected in the painting profession since 1892. In operating their Church Division, Mr. Bruss has available their entire physical equipment including the finest of modern scaffolding.

In addition, he has under his direct supervision a crew of skilled workmen trained exclusively in Church decoration and thoroughly familiar with the intricacies of such work.

If you contemplate any decorating or art work in your Church may we serve you by studying your special requirements? Under no obligation to you, a call or letter will elicit a visit from Mr. Bruss, who at such time can show full color three dimensional pictures of Churches already decorated by us.

Reverently,

For property protection that lasts and lasts, more and more industries, institutions and residences the country over are turning to Continental Chain Link. If you'd like to know more about this better, stronger fence made of KONIK steel, write to Continental at Kokomo, or call our nearest fence representative.

The skillful hands of our sculptors, using the same technique their ancestors employed during the Gothic period, carved and pierced, treated and finished, this exquisite Shrine altar of Mandorlato St. Ambrogio marble in our modern studio at Pietrasanta, Carrara, Italy, shown below.

Note, in the detail shown above, that the highlights are intensified by the application of 22-karat gold leaf, creating an effect of unsurpassed beauty.

We are proud of having had the privilege of bringing another incomparable masterpiece to America.

"The church being done, may I now commend you, your firm and all your mechanics for the excellence of the completed job. It is a source of deep admiration to me, to the priests at St. Peter's and to the community we serve that our church, once so hideous in external aspect – chipped, battered and worn – is now a lovely thing to look at – bright, cheerful and devotional.

I have had many occasions to observe your workmen in their skill and their industry and I want to commend you for the type of employee in your company.

You have done an excellent job for St. Peter's. God will be praised by your work for Him.

# The Policy of Friendship

Every policy of The Home Insurance Company is a deeply personal document.

Each provides a shield of protection for some person's cherished possessions—perhaps your home, or car, or business. And each bears the mark of some Home Insurance representative's interest and efforts in behalf of the policyholder. In nearly every community from coast to coast, these members of the Home "family" are bringing protection to their clients and neighbors in an efficient, friendly way. And when and if fire or other adversity occurs, you'll find that this is a friendship of deeds—not words. Then your Home man carries out the promise of your policy—sees to it that you get fast and effective help.

This sincere, human approach to your insurance needs has given The Home the neighborly characteristics for which it is known. It has made of it a company which not only serves your community but is a part of it—a company of people rather than statistics.

The Home, in its truest sense, is the man who lives in your town and serves you—your Home representative and his companions in communities throughout the country. The accompanying figures are a report of their work for you and your neighbors in the year 1950.

*Sincerely,*

PRESIDENT

THE OFFICIAL CATHOLIC DIRECTORY is the largest and most comprehensive religious directory or yearbook published anywhere today. This statement, however, gives no hint to the magnitude of such a project, nor of the history behind it—a history of trials and errors, of triumphs and failures. THE OFFICIAL CATHOLIC DIRECTORY did not simply appear on the scene as a fully developed phenomenon. If it is the greatest thing of its kind, it is so because of all the troubles and travails that mark its checkered career—a career intimately identified with the course of the Church itself in America.

There are those who claim that the oldest ancestor on its family tree is *The Catholic Laity's Directory to the Church Service,* published in 1817 by Matthew Field in the Bowery, New York, but this is still a mooted question. There is little doubt, however, of its lineal relationship with *The Laity's Directory to the Church Service,* published in 1822 by William H. Creagh, also of New York. This work, incidentally, was revised and corrected by Rev. John Power of St. Peter's Church in Barclay Street, who was an interesting figure of the early ecclesiastical scene in New York.

Then nothing happened until ten years later, when the third venture, *The United States Catholic Almanac or Laity's Directory for the Year 1833,* was issued in Baltimore (then our primatial See) by James Myres, who persevered with his annual editions for five years. In 1838 the project changed hands and title again, when Fielding Lucas, Jr., undertook publication of *The Metropolitan Catholic Almanac and Laity Directory* in Baltimore. Under his supervision annual issues appeared until 1854, and the work was published for three more years by his two sons, who then abandoned the project.

In 1858 a primitive directory emerged in New York under the imprint of Edward Dunigan & Bro.—*Dunigan's American Catholic Almanac and List of the Clergy.* The following year, however, a rival report—*The Metropolitan Catholic Almanac and Laity's Directory for 1859,* published by John Murphy & Co., Baltimore—entered the field. The two publications competed for another year (1860), but by 1861 only Murphy's survived—and that was Murphy's last year, too. For the next two years the only approximation of a directory was the 36-page pamphlet of 1862 published by Peter Cunningham—*Catholic Register of the Church and Clergy of the Diocese of Philadelphia.* In 1863 this register was enlarged to include Pittsburgh and Erie, but the rest of the American Church went unsung—or at least unrecorded.

Prospects brightened again with the birth of an heir apparent of the earlier directories: *Sadlier's Catholic Almanac and Ordo* for 1864, under the imprint of D. & J. Sadlier & Co., in Barclay Street, New York. Consecutively from 1867 to 1885 this annual appeared with the title, *Sadlier's Catholic Directory, Almanac and Ordo.* In 1886 the "monopoly" of the Sadlier publication was challenged by Hoffmann Bros. of Milwaukee, who forthwith printed one of their own —*Hoffmann's Directory and Clergy List Quarterly.* Ten years later—in 1896—the Sadliers withdrew from the competition. But in that year, too, the Hoffmann firm encountered financial difficulties, and the publication, under sheriff's sale, was acquired by M. H. Wiltzius & Co., of Milwaukee. The Wiltzius people were able to continue the work for 15 successive issues after 1897. But the year 1911 marked the downfall of the House of Wiltzius, and their *Catholic Directory* with it.

At that moment the firm of P. J. Kenedy & Sons, under inspiration of the late Mr. Arthur Kenedy, made its own decision about the imperative, urgent need for a Catholic directory, and at once shouldered the huge responsibility for publishing it. For 40 years now, the Kenedy firm has persevered in this responsibility, concentrating its best efforts to the end of an ever more complete, accurate and accessible record of the statistical development of the Church Militant in America.

From this catalog of preliminary progress and pioneer efforts culminating in the production we are now introducing, one thought stands out:—Despite the disappointments, financial sacrifices and failures rewarding the high hopes of those early compilers, they were unanimously convinced of one thing— *There must be a Catholic directory!* That same conviction persists today, and the record of those forerunners of THE OFFICIAL CATHOLIC DIRECTORY is our pedigree, the sanction of our labors, the pledge of our perseverance in this "public service" to the divine apostolate that is the Church.

## FOR THOSE WHO USE THE CATHOLIC DIRECTORY

*The exact page location of the various sections of the Directory mentioned in this Foreword may be found by consulting the alphabetical index on page vi.*

**A Public Service**

Each year the editors of the Official Catholic Directory seek new ways of being of service to those who support it. Although the time may never be reached when the book will contain all that it could possibly have to be perfect in this respect, the latter is a goal towards which we are constantly aiming. After all, the Directory, in a broad sense, is no private enterprise carried on for purposes of personal profit. It is a work supported by its users as a public service and, as such, the format, arrangement and editorial features must be directed towards the convenience and needs of the public it is designed to serve. Nor does this policy stop with the editorial contents. The advertisements in the Directory are accepted by us with the user of the Directory in mind. It has always been our proud boast that our advertisers are *selected* rather than *solicited*. Before they appear in the Directory, the editors have made certain that the potential consumer can safely place full confidence in their products.

With this dedication to the public good in mind and because of the many editorial features and improvements constantly being included in the Directory, we believe it wise to devote some space and time towards giving you a clearer, more comprehensive idea of what the Directory contains and how to use these contents to best advantage. First then, we list a short summary of the parts of the book, after which we explain how they may be used.

**What the Directory Contains**

1. List of the Governing Bodies in Vatican City.

This is a list of all the officials, beginning with the Pope and continuing through the College of Cardinals. The duties of each of the Sacred Congregations and Offices together with its officials are given. A list of the National Colleges in Rome, together with a chronological table of the Popes, completes the Section.

2. List of the Provinces of the United States.

This is a list of all the Archdioceses and Dioceses of the United States arranged under the provinces to which they belong. The names of all Archbishops and Bishops together with appointment and consecration dates are given.

3. Detailed Reports from Archdioceses and Dioceses of the United States.

This section, forming the largest part of the book, gives the most detailed information on the Catholic Church in the United States. Examples of its wealth of information will be given later.

4. Detailed Reports on U. S. Possessions and Those Parts of the World in which American Priests and Religious Labor in Missionary Work.

This section contains substantially the same information on foreign territories as the preceding one does concerning the Catholic Church in the United States.

5. Special Listing of the Organization and Personnel of the National Catholic Welfare Conference.

6. General Statistics on Religious Orders of Men and Women.

In this section each Religious Order lists the number of Provinces it maintains, the superiors of the Provinces, the number of various classes of religious in the province, the number and kind of institutions it serves or maintains and the Dioceses in which its members are working. It is preceded by an exhaustive cross index.

7. A special listing of those societies engaged in missionary work giving the nature of their work, the territories in which their members are engaged and the local boards in various cities which aid or support them.

8. A list of the cities, towns and villages in which there is located a church with a resident priest or a Catholic institution, or both.

This section lists each city, the state in which it is located and the abbreviation of the Archdiocese or Diocese to which it belongs. A key to these abbreviations is given on a special page located immediately preceding the alphabetical list of places.

9. List of the Hierarchy of the United States alphabetically arranged, together with their addresses.

10. List of the Hierarchy of the United States arranged according to their seniority.

11. An alphabetical list of the Clergy, which includes all priests, both Secular and those belonging to a Religious Order or Community.

This list gives the diocese to which the priest belongs, the city and street address or institution at which he now resides, or his last known address.

12. Necrology of the United States Hierarchy and Clergy.

Here are listed alphabetically all those prelates and clergymen who have died since the last issue of the Directory. The address and diocese of each are given, together with the date of death.

13. A General Summary.

This is a general recapitulation of the statistics of each Archdiocese and Diocese. Total numbers for the United States and its possessions are given.

**How to Find Things . . .**

All these things the Directory contains—a wealth of names, statistics and relevant data such as few other books of reference encompass. It is indeed so much matter placed together in limited space that one may be excused a certain perplexity as to the quickest way to secure some particular point of information. A few pointers, then, may not be amiss.

**. . . About the General Plan . . .**

Each of the Reports of the various Archdioceses and Dioceses is alike in so far as the general layout is concerned. There is first a list of Officials. Then the churches in the See City are given, alphabetically arranged. This is followed by

a list of the Churches outside the city, alphabetically arranged according to places of location. With each Church are listed the parochial schools, missions, stations, and cemeteries associated with it. (Parochial cemeteries are identified by [CEM]; interparochial or joint cemeteries by [JC].) Following this is a listing of the Institutions of the Diocese. In the listings, arrangement of these Institutions follows closely the order of their presentation in the General Recapitulation. Postal delivery unit numbers are printed following street addresses in the diocesan listings. After the Institutional listings, there are summaries of the Religious Communities of Men and the Religious Communities of Women in the Diocese; a list of Diocesan cemeteries, if any; a Necrology listing those priests who have died during the year and, lastly, a Diocesan Recapitulation of Statistics.

**. . . About Prelates . . .** Let us suppose you want to know something about a prelate. If you know his name, the best place to look first is in the Alphabetical list of Secular and Regular Priests of the United States. This will give his full name and address as well as the Diocese to which he belongs. Upon turning to the Diocese, you will find, usually, the dates of his ordination, appointment and consecration, as well as the dates of his transference in the event he served in any other Diocese. You will usually also find his secretary's name and address, a point of information sometimes very useful. If you want to know what place he would take in solemn procession, consult the Seniority list of Bishops which immediately follows the Alphabetical list of Bishops and immediately precedes the Alphabetical List of Secular and Regular Priests.

**. . . About Officials . . .** In the event you wish some information concerning Diocesan officials, the Superintendent of Schools, let us say, you will find it in the Administrative Officials section directly under the name of the Bishop in each Diocese. In most cases both home and office addresses are given. You will also discover the ecclesiastical degrees and sometimes the higher educational degrees which should follow his name and formal address. All the officials connected with the governance of the Diocese are listed in this section. In the event that the address of the official you seek is not given, look him up in the Alphabetical List of Clergy.

**. . . About Places . . .** The place list of cities and towns in the United States tells you at a glance to just what archdiocese or diocese any particular one belongs. The cities and towns are arranged in strict alphabetical order and are followed by the abbreviation of the Archdiocese or Diocese where located. When a town has no post office, the correct mailing address or Post Office will be found in italics, immediately following the town desired, e.g. Reno, Iowa *Cumberland P.O.* DM. The Post Office address will be found in its alphabetical position with the name of the town where the church or institution is located immediately following in Roman type, e.g. *Cumberland, Iowa* Reno DM. Different localities have particular ways of abbreviating Rural Free Delivery. You will encounter it as: R.F.D.; R.R.; R. A key to the Diocesan abbreviations used will be found conveniently placed immediately preceding the alphabetical list of places.

**. . . About Statistics . . .** If you are interested in securing statistical information you can find it in the individual Recapitulations at the end of each Archdiocese and Diocese. These Recapitulations give the number of Institutions and the number of people attending them for the entire Diocese. We have taken from these Recapitulations those figures we consider to be most vital and summarized them in a general Recapitulation giving totals for the entire country. This will be found directly after the Clergy List and Necrology.

**. . . About Clergymen . . .** If you know the clergyman's name, the fastest way to discover his address is to look in the clergy list. This will give you his Diocese and address. If there is a number in brackets in the listing, he is stationed at the Church bearing that number in the city and Diocese indicated. The numbers are inserted only for Churches in the larger cities having ten or more Churches. If you are not sure of his name but know the city or town he is in, look that up in the Alphabetical list of places. This will give you the Diocese. The first priest's name in a parish listing is that of the Pastor unless otherwise identified. Often a parish has both a Pastor and an Administrator. In such instances, the latter's title is spelled out and the listing follows that of the name of the Pastor.

**. . . About Religious Order Priests . . .** Those priests belonging to Religious Orders are listed at the Churches and Institutions they serve. You will find at the end of each Diocesan report a list of the Religious Communities of Men active in that Diocese and the Churches and Institutions at which they are stationed. If you should desire further information about any particular order you can consult the Index to Religious Orders which directs you to more detailed and comprehensive information concerning the order. Since many Religious Order priests are engaged in Missionary work outside the United States the abbreviation of that province of his order to which he belongs is given, as well as his mailing address.

**. . . About Brothers . . .** In the United States, as well as in other countries, there are men who, while not ordained priests, live in community in the same manner as Religious Order priests. Some of these men are attached to Religious Orders of priests while others have formed their own Religious Community. Thus, in the Society of Jesus, there are ordained priests and brothers. On the other hand the Brothers of the Christian Schools, for example, have no connection with any Religious Order priests. You will find immediately following the Statistics on Religious Orders of Priests a listing of the Orders of Brothers who are independent of Religious Orders of Priests. Those Brothers who belong to Religious Orders of Priests are listed with their Order in the section devoted to Religious Orders of Priests.

**. . . About Nuns . . .** There are approximately 275 different Religious Communities of Women operating in the United States. To find general statistics on any particular one the first thing to consult is the Statistics of Religious Orders Section. Here you will find the number of Sisters, Postulants, Novices, etc. of each province, the number and kind of Institutions they maintain or serve and a listing of the Archdioceses and Dioceses in which they are represented. If you want to know, therefore, where the motherhouse of the nuns teaching at a certain school is located you have only to look the name up in the Religious Order Section. On the other hand, if you wish to know whether a certain order is represented at a certain school, you have only to consult the list of Religious Communities of Women in the Diocese, which you will find at the end of the report of each Archdiocese and Diocese.

**The Complete Edition** As you probably know, the Catholic Directory appears annually in three different forms. Volume One is the United States edition and contains information only on those Dioceses in the United States and its possessions. Volume Two is the Complete edition and contains everything in Volume One to which

are added also Diocesan reports for Canada, Ireland, England, Scotland, Wales, Australia, New Zealand, Cuba, Mexico and the Philippines. These reports for Canada are similar to those for the United States. There is also a List of Places for Canada which may be used exactly as the United States Place List. Volume Three contains everything in Volumes One and Two and is very substantially bound in cloth.

In this attempt to facilitate your use of the Directory, we have tried to cover all the questions which may arise. However, we realize that there may be some special aspect, peculiar to your work, upon which we have not touched. If this is so, please feel free to call on us for further information. As we have said, the Directory is a work of Public Service. Each year refinements and improvements are added. With your cooperation there will be more of these in the future. It is your Directory and, ultimately, will take whatever form serves you best. Accordingly, your corrections and suggestions are warmly welcomed.

# PART I

# Hierarchy of the Catholic Church

The Catholic Hierarchy, or the governing body of the Catholic Church, consists of His Holiness the Supreme Pontiff, assisted by the Sacred College of Cardinals and by several Sacred Congregations, or permanent ecclesiastical committees, of which the Cardinals are the chief members; by the Patriarchs, Archbishops and Bishops; by the Apostolic Nuncios and Delegates, Vicars and Prefects, and by certain Abbots and other Prelates.

**HIS HOLINESS THE POPE**

BISHOP OF ROME AND VICAR OF JESUS CHRIST,
SUCCESSOR OF ST. PETER, PRINCE OF THE APOSTLES,
SUPREME PONTIFF OF THE UNIVERSAL CHURCH.
PATRIARCH OF THE WEST, PRIMATE OF ITALY.
ARCHBISHOP AND METROPOLITAN OF THE ROMAN PROVINCE,
SOVEREIGN OF VATICAN CITY.

## PIUS XII

**EUGENIO PACELLI**

NOW GLORIOUSLY REIGNING

The direct successor of St. Peter was born in Rome, March 2, 1876; ordained Priest, April 2, 1899; appointed Apostolic Nuncio to Bavaria, and promoted to the Titular See of Sardes, April 23, 1917; consecrated Archbishop by Pope Benedict XV, May 13, 1917; Apostolic Nuncio to Germany, June 22, 1920. Created and proclaimed Cardinal, December 16, 1929. Appointed Secretary of State, February 7, 1930. Elected Pope, March 2, 1939, crowned March 12, 1939.

### VATICAN CITY

By virtue of the concordat signed on February 11, 1929, the Feast of Our Lady of Lourdes, ratifications of which were exchanged on June 7, the Feast of the Sacred Heart, the complete and independent authority of the Pope to rule in his own possessions was recognized by the state. The territorial possessions of the Holy Father are called Vatican City and within its limits the Sovereign Pontiff's authority is recognized as supreme.

The Sovereign of this small state is His Holiness, the Pope.

The Governor is Marquis Commendatore Camillo Serafini, born in Rome in 1864.

The Apostolic Nuncio to Italy is Monsignor Borgongini Duca, Titular Archbishop of Heraclea.

### THE SACRED COLLEGE OF CARDINALS

The Cardinals, when duly constituted and proclaimed, form the Supreme Council or Senate of the Church. They are advisers of the Supreme Pontiff, and at the death of the Pontiff they elect his successor.

There are three orders of Cardinals, *Cardinal-Bishops, Cardinal-Priests,* and *Cardinal-Deacons;* but these orders are distinct from those of the Hierarchy. With very few exceptions, the Cardinal Priests are Archbishops or Bishops, and the Cardinal Deacons are Priests. The Sacred College of Cardinals, when complete, consists of 70 members—6 Cardinal Bishops, 50 Cardinal Priests and 14 Cardinal Deacons.

The Cardinal Bishops take their title from the Suburban Sees of Rome, which are: *Porto and Santa Rufina, Albano, Palestrina, Sabina, Frascati, Velletri.* The Cardinal Dean has united to his See the See of *Ostia.* The Cardinal Priests take their title from the "Titular Churches" to which they are appointed: the Cardinal Deacons are appointed to other Churches called "Deaconies." The first Cardinal Bishop is *Dean;* the first Cardinal Priest is *First Priest;* and the first Cardinal Deacon is *First Deacon* of the Sacred College. The Dean has the right of consecrating, and the First Deacon the right of proclaiming and crowning a new Pope. On the death of the Pontiff, the Cardinal *Camerlengo* has the Administration of the affairs of the Holy See.

(The "creation" of a Cardinal sometimes precedes, even by several years, the "publication and proclamation." The Cardinal is then said to be "reserved *in petto,*" and when proclaimed, he takes the precedence according to date of creation.)

**Most Reverend**

**PAUL SCHULTE, D.D.**

Archbishop of Indianapolis; appointed Bishop of Leavenworth May 29, 1937; consecrated September 21, 1937; appointed Archbishop of Indianapolis July 20, 1946; formally installed October 10, 1946.—Chancery Office, *128 W. Georgia st., Indianapolis 25, Ind.* Office Telephone: Riley 2579. Residence Telephone: Humboldt 4004.

The Diocese of Vincennes (now Indianapolis) was established by decree of Gregory XVI, May 6, 1834, and the See was fixed at Vincennes. The territory then comprised the entire State of Indiana and the eastern part of Illinois.

By a decree of Pius IX, January 8, 1857, the northern half of the State was erected into the Diocese of Fort Wayne. The southern half of the State remained the Diocese of Vincennes.

The second Bishop of Vincennes, by Apostolic Brief, was permitted to establish his residence either at Vincennes, Madison, Lafayette or Indianapolis; the See city, however, to remain at Vincennes. This permission was renewed to the fourth Bishop, with the exception of Lafayette.

On the appointment of the fifth Bishop, he was directed to fix his residence at Indianapolis, but the Cathedral and title of the See were continued at Vincennes. By an Apostolic Brief dated March 23, 1898, the title of the Diocese was changed to that of "Diocese of Indianapolis," with the Episcopal See in the city of Indianapolis. By the same Brief the Patron Saint of the Diocese is to remain St. Francis Xavier, title of the old Cathedral, Vincennes.

On December 19, 1944, by the Executorial Decree of the Papal Delegate, Most Reverend Amleto Giovanni Cicognani, Archbishop of Laodicea, Apostolic Delegate to the United States of North America, the Papal Decree of Pope Pius XII was solemnly proclaimed in SS. Peter and Paul Cathedral, Indianapolis, elevating Indianapolis to the status of an Archdiocese, the State of Indiana being the Metropolitan Area. The Dioceses of Evansville and Lafayette in Indiana were created by the same decree and made Suffragan Sees of Indianapolis.
